

'.. lovely vibrancy and attractive fruit intensity.. pristine and refreshing..'

MOPPITY *Vineyards*

Lock & Key Single Vineyard Tumbarumba Sauvignon Blanc 2022

Varieties	Sauvignon Blanc
Region:	Tumbarumba NSW
Viticulture:	The F4V6 clone of Sauvignon was grafted onto 20 year old Chardonnay vines in 2011.
Winemaking notes:	100% free-run juice, slow cool fermentation to retain natural aromatics and primary fruit flavours
TASTING NOTES	
Colour:	Brilliant clean pale yellow
Nose:	Bright and aromatic with lifted lime and green apple notes.
Palate:	The palate is vibrant and fresh with crisp green citrus fruits; limes and kiwi fruit dominating. There's a really fine texture, with excellent weight and balance. The finish is seamless and long, with clean crisp acidity.
Comments:	Sourced from a high altitude site in the cool Tumbarumba region of NSW. Rather than emulate the Marlborough style, this wine celebrates its regionality and demonstrates Tumbarumba's potential as one of Australia's key regions for Sauvignon Blanc.
Alcohol:	12.5%
